SERVING THE YOUTH AND ENTIRE COMMUNITY OF WATERVLiet SINCE
1946.

A BRIEF HISTORY OF THE WATERVLIED CIVIC CENTER

The Civic Center building was constructed as a high school in 1911. In 1937, when the new Watervliet High School was opened the Civic Center building was vacated and remained idle until 1946, when the Watervliet Rotary Club, along with a group of civic minded citizens, decided that a youth center was needed for the youth of Watervliet. Prior to 1946 there was no indoor facility for the youth of Watervliet. The Watervliet Rotary and this group of civic minded citizens petitioned the City of Watervliet to turn the building over to them for renovation. Three months later the Watervliet Civic Center opened for both the boys and girls of Watervliet. Now, over 79 years later, more than 700 youth, young adults and adults utilize our facility and participate in our program and activities each year.

The Watervliet Civic Center is pleased to offer this program for the benefit of your child.

AGENCY, continued

The Civic Center has a strong and proud reputation in offering quality, constructive and supervised programs, and services to the youth of Watervliet since 1946. The Watervliet Civic Center will make every attempt to make this program enjoyable and meaningful for your child. If you have any questions, comments, or concerns please do not hesitate to contact Bill Sheehy-Executive Director at (518) 273-5922.

HOW THE PROGRAM OPERATES

The Before & After School Program is licensed, registered, and inspected by the NYS Office of Children & Family Services. As a registered program we are expected to conform to all the regulations governing school-age childcare as outlined in the NYS OCFS rules and regulations.

The entire program will be conducted at the Watervliet Elementary School. An information board is available for parents to review activity plans for each day as well as other information.

The goal of the Before & After School Program is to provide children with a safe, healthy, and active atmosphere where they can engage in several age appropriate recreational, social, and educational activities. Activities that are offered are art enrichment, gym & outdoor games, homework help, musical experience, drama & theater, language & literacy, blocks & construction, STEM, life skills, cultural awareness and much more.

PROGRAM

The Before & After School Program is designed to offer children a child-centered environment that will be safe, enjoyable, wholesome, and supervised. Opportunities are provided for the children to develop new interests and skills in a positive atmosphere. A sufficient quantity and variety of materials for play are available to the children. Such materials and equipment are appropriate to the ages of the children and their developmental levels and interests. This includes children with developmental delays or disabilities. The positive environment that is provided promotes the children's cognitive, social, educational, cultural, physical, emotional, language and recreational development.

PROGRAM GOALS

The goals of the Watervliet Civic Center Before & After School Program are:

- Provide quality activities and events for school aged children regardless of socio/economic background.
- Improve self-esteem.

PROGRAM GOALS, continued

- Improve interpersonal relationships.
- Strengthen values.
- Increase academic achievement.
- Improve and increase physical skills.
- Improve health and nutrition.
- Have fun.

The environment and program are carefully planned to meet the needs of the children for play and companionship. The program is flexible, recognizes children as individuals and provides for development at their own pace.

The Watervliet Civic Center will supply all the necessary equipment, supplies and materials. We discourage children from bringing toys, electronic games/devices and other equipment from home and will not be responsible for lost, stolen or damaged items.

Homework help is offered during the afterschool. Homework arrangements must be made between the parent, child, and staff of the Civic Center. Watervliet Civic Center staff will remind children about homework, but staff can only encourage your child to get their homework done. It will be the child's responsibility to stay on task and complete their homework.

It is important to note that the Watervliet City School District, its staff, and administrators are not affiliated with our program. The school district provides space for our program to operate and has shown tremendous flexibility and support to our program. Please direct all program issues to the Site Supervisors or the Program Coordinator.

PARENT/CHILD RESPONSIBILITIES AND REQUIREMENTS

PROGRAM RULES

The rules of the program should be established on the first few days of the program by asking all staff and children for their ideas and input. The rules should be listed specifically and clearly and should be written out and displayed for daily viewing for staff, children, and parents.

CHILD BEHAVIOR MANAGEMENT/CODE OF CONDUCT

Staff will address mild behavior issues and conflicts by guiding children to resolve their own conflicts. Staff will document the behavior or conflict, and parents will be notified. If inappropriate behavior continues, a parent-staff meeting may be required. If the behavior continues, the Watervliet Civic Center reserves the right to terminate services.

If a child exhibits more severe behavior such as fighting, verbal abuse, unprovoked physical altercations, endangering the welfare of others, assault, vandalism or leaving the program without permission, a suspension of 2-5 days will be issued. If severe behavior continues upon return to the program services will be terminated.

While in the Before & After School Program children are expected to follow the rules established, but not limited to:

- Respect other children, staff, and property.
- Follow the directions of counselors.
- Staying with a staff member and always assigned groups.
- Adhering to rules regarding building and playground safety
- Refrain from using foul language and other forms of verbal abuse.
- No fighting or other physical altercations.
- Keep hands, feet, and objects to yourself.
- Be always safe.

CHILD BEHAVIOR MANAGEMENT/CODE OF CONDUCT, continued

Behavioral management is practiced with a positive approach that respects a child as an individual. Children will develop good problem-solving abilities, good beliefs, and self-discipline when positive reinforcement is practiced. When children receive positive feedback from staff and others, they develop good problem-solving abilities and self-discipline. Positive role modeling, setting limits, redirection and positive behavioral alternatives are all techniques used to influence children's behavior.

When a child's behavior harms or is likely to result in harm to the child, others or property or is likely to disrupt group interaction, a child may be separated briefly from the group. The separation may only last for as long as it is necessary for the child to regain enough self-control to rejoin the group. The child must be placed in an area where he or she is in view of and can be supervised and supported by a staff member. Interaction between a staff member and the child must take place immediately following the separation to help guide the child toward appropriate group behavior.

DAMAGE POLICY

Parents or guardians will be held liable to any intentional damage caused to the structure or equipment by children in the care of the Watervliet Civic Center staff. This only applies to acts caused with purpose and does not apply to wear-and-tear or accidents which may occur from participation.

CHILD'S ATTENDANCE

All children must be signed in and out daily. Staff have the right to and should ask for photo identification when parents/guardians are picking up their children. Only individuals listed on the pick-up list are allowed to pick up children. Children must be present in school that day in order to attend the Before & After School Program.

WORKING TOGETHER

You, the parents, are the most valuable resource in caring for your child. You know your child's personality and interests better than anyone. We will collaborate with you to develop plans and strategies that meet your child's needs and encourage his/her growth and development. Please communicate with the program coordinator or site supervisor to inform us of any physical, emotional, or social developments regarding your child.

CHANGE IN PERSONAL INFORMATION

Accurate record keeping must be maintained for the benefit of the children of the Before & After School Programs. Parents are asked to fill out a program change form anytime vital information as well as medical records change. It is extremely important that you notify us immediately if there are any changes in your address, cell or work telephone numbers, emergency numbers, emergency contact information and alternative individuals allowed to pick up/drop off your child.

COURT ORDERS AFFECTING ENROLLED CHILDREN

The employees of The Watervliet Civic Center are not able to keep a custodial parent from picking up their child unless there is legal documentation on file with The Watervliet Civic Center. Families who have legal documentation regarding their child should attach the documentation to their child's application at the time of registration. Should a court order take effect following enrollment the legal documentation should be submitted to The Watervliet Civic Center as soon as it becomes available. If an enrolled child resides in two separate households with their custodial parents, The Watervliet Civic Center will require that each parent complete their own pick-up authorization and/or the emergency contact list will be the only individuals allowed to sign out a child.

INEBRIATED/UNDER THE INFLUENCE PARENT POLICY

A Watervliet Civic Center employee will approach any person who attempts to pick up a child while inebriated or under the influence. If the inebriated or under the influence person is a custodial parent, the employee will contact the other custodial parent to pick the child up. If the inebriated or under the influence person is not the custodial parent, the inebriated or under the influence person will be denied the release of the child. The employee will be required to contact the local police department and Child Protective Service. Watervliet Civic Center employees cannot hold a child against the parent/guardian's will.

PICK UP/DROP OFF POLICY

The parent/guardian prior to the child's enrollment in the Before & After School Programs must complete the pick-up authorization information. Parents or designated persons picking up children must come into the building prepared to present photo identification to pick up the child. No child may be released from the Before & After School Programs to any person other than his or her parent, or person currently designated in writing by such parent to receive the child, or any person authorized by law to take custody of a child.

When dropping off your child for the Before School Program, parking in the bus lane after 8:20 AM is **prohibited**. The bus lane is reserved for school buses from 8:20 AM - 8:30 AM. Parents will need to park in the parking lot between the hours of 8:20 AM – 8:30 AM. Failure to comply with this request may result in parents receiving a ticket, as it is a safety concern for students unloading from buses.
